

## **Final Counseling assignment**

(Email form)

Hello,

We are very thankful that you participated in Biblical Counseling here at Stonebridge, whether you were a Counselee or an Advocate. We are also excited to see how God will use you to comfort others in trials because of the comfort you received! - 2 Cor 1:4

We have one more assignment for you now that you, or the person/couple you were supporting, have graduated from Biblical counseling into mission and community.

The assignment is this:

Please write us a testimony of what you feel God taught you through your counseling experience. Below are a few questions you could ask yourself.

### **Counselee:**

What did God reveal to you was getting in the way of your relationship with Him?

How did God speak to you through His Word?

What has Biblical Counseling taught you about Authentic Community in the church?

### **Advocate:**

Name something that you learned as you supported your friend(s)?

Did you have a belief before counseling that was challenged by the Word?

What has Biblical Counseling taught you about Authentic Community in the church?

We want to be diligent to give God the glory He is due for the work He is doing. That is what this assignment is about. However, you can rest assured that your answers will be kept for our records and not shared unless you give us permission to do so.

May God be glorified in all we do!
